

## **Holistic Connection Community Clinic**

### **Mission Statement:**

To provide no cost holistic care that nurtures wellness and supports the health and vitality of our community.

### **Purpose:**

The purpose of the Holistic Connection Community Clinic is to make holistic care services accessible and attainable to the community who, due to economic resource difficulties, would not be able to afford these services otherwise.

### **Clinic Parameters:**

Clinics are a place for community members to obtain holistic care services at no cost. The environment is semi-private and takes place in the central room at Weald Bethel. There is no charge to services, however donations for the clinic itself and it's mission will be accepted and put into a fund to use at a later date.

### **Provider Expectations:**

Providers will have an active professional practice that offers services to the public.

Providers that are offering services that require specific certifications & liscensing will have their licensing active and up to date (IE massage, acupuncture, chiropractic, nursing, etc.)

Providers are comfortable working in a semi-private space with activity going on around them.

Providers agree to volunteer their services to the public at no cost.

Providers will adhere to Clinic Expectations, as outlined below.

### **Clinic Expectations for Providers:**

Providers will provide 1:1 services to individuals.

Providers agree that service offerings will be pre-approved by Jennifer May.

Providers will offer three to four, 15 to 30 minute appointments at pre-determined times within the clinic time frame of 2 hours.

Providers will adhere to their chosen time structure.

Providers agree to participate in a clinic with walk in offerings, with sign ups available on the day of the clinic.

If a particular clinic has pre-scheduling available, providers agree to have clinic appointments pre-scheduled through email to Jennifer (from interested clientele). Jennifer will inform providers about their scheduled appointments, at least one day prior to the clinic date. At least one appointment will be left open for walk ins.

Providers may not charge for their services.

Providers agree to provide a description of services and a brief biography to be used for marketing that is due no later than two weeks prior to the clinic date.

Providers will have a 10x10 (approximate) space in the shared main room to provide services in. They will have access to a one 8 foot table (if needed), and chairs.

Any materials the provider requires to perform their services will be provided by, set up and taken down by the provider.

All providers must arrive and set up their "station" 30 minutes prior to clinic opening. All providers must take down their stations within 30 minutes of the clinic closing.

In the event that a provider is presented with a personal tip or gift from someone they have worked with at the clinic, the provider may keep this for themselves.

Providers may bring business cards or fliers to be placed on the community table at any clinic they are participating in.
